Subject: UIC Web Update
Attachments: Web Update April 2015.docx

Andrea,

Thank you for helping out with UIC Web updates. I attached a file with the needed updates. I will also give you a hard copy of the websites that need to be updated and with highlighted sections to make it easier to see the changes.

Also, the UIC Section would like to keep the Points of Contact for the States and Region webpage and the Regional Land Ban webpage with all the current PDFs, through the Drupal migration. Please see the following links.

<http://www.epa.gov/region6/water/swp/uic/uicprogram.htm#louisiana>

<http://www.epa.gov/region6/water/swp/uic/landban.htm>

PDFs Attached:
